I.R.

INVESTIGATION:

On 23Mar12 at 0150 hrs, R/D's Fanning and Spain were assigned to investigate a CSA with the victim at . R/D's relocated to the hospital and spoke with the victim,

Related that she had just picked up some movies and was walking at when the offender pulled up and offered her a ride. During the ride, the offender talked to her as if she were a prostitute, specifically asking, "Are you working tonight?" She corrected him and told her that she

was not a prostitute (Computer search revealed no prostitution arrests). The offender did not turn at her street, but instead drove to a parking lot at the Douglas School at [REDACTED] where the offender grabbed her by the neck and made her give him oral sex. The offender then tried to take her pants off and had a hard time with the belt, so she said, "I politely took my pants off so that he would not ruin them." The offender then made her straddle him and had vaginal sex with her as he sat in the driver's seat. She thinks that the offender ejaculated inside of her. She then fled the vehicle, leaving her movies in the vehicle. She called 911 after getting a safe distance away.

During their conversation before the assault, the offender identified himself as "Floyd". She asked Floyd what he did for a living and Floyd related that he was a police officer. [REDACTED] then supplied the offender and vehicle description (see format above).

R/D inquired why she did not wish to have a CSA kit performed. She related that she has been sexually assaulted three times in the past, and did not wish to go through all that again.

She related that the offender never struck her, or threaten her, just intimidated her.

R/D talked with the attending physician, Dr Muzumdar, and he related that the victim refused to cooperate with any exam or test.
